# Welcome to Butts of Bawtry

**Butts of Bawtry**, established in 1971, are a company specialising in supplying the automotive industry with high quality tools and equipment for vehicle workshop applications.

## Supply of Small Tools

As an importer and distributor for many manufacturers of high quality tools, Butts are able to fulfill most workshop requirements from their comprehensive range of tools and non-installed equipment.

## Bespoke Solutions

From service tool boards to bespoke timing tools, apprentice kits and braking tool boxes, we have the ability to design and deliver exactly what you require...

## Quality Brands

## On Line Portal

- Control your multi site purchases through our tailored portal solution
- Set maximum order values
- Set monthly spend limits per site
- Divisional or regional manager approval via email

**Your branding here**

## Printing Services

With a range of standard signs available from stock and the ability to produce bespoke signs in house using our own in house digital wide format latex printing equipment, in house design team and print finishing team, we are able to turn your requirements to reality.

# COMPREHENSIVE Workshop Equipment Programme

We will deliver your project **ON TIME** and **HASSLE FREE**

## Site Survey

Rely on our experienced staff to deliver the workshop you require with the correct equipment for your individual application. We will assist with on site meetings with your architects, builders and VOSA to make sure that your individual requirements and personal equipment preferences are met.

## CAD Drawings

Using CAD we can work with your builders and architects to plan the workshop layout to provide optimal efficiency and compliance with the relevant regulations and requirements. Drawings suitable for VOSA applications are part of our standard service.

## Project Management

Undertaking a refurbishment or new build is stressful enough for anyone, rely on our staff to deal with your builder, other contractors & architect to deliver your workshop, as planned on time.

We are a 'Safe Certified' Contractor so you can rely on us to deal correctly with Health & Safety and other site issues.

## Calibration, Service & Repair

***All machinery needs to be serviced and maintained***

Protect your investment by taking out a service contract on your workshop equipment.

With 1000s of spare parts in stock in our warehouse, our own GEA Accredited engineers, a computerised service reminder and inspection records system, we are able to service, calibrate and repair most types of workshop equipment.

**One-Stop Shop...**

**We can do it all, from fitting equipment to providing spares**

Our experienced staff will deliver the workshop you require  
**Contact our sales team for a NO OBLIGATION quotation.**

# Air Conditioning

## Are you ready for Summer?

Brainbee Climax 6000 Series

**£1795**

- European Manufactured
- Embedded Database
- Integrated Printer
- Options include:  
*Hybrid Flush Kit*  
*Gas Identifier*

AIR-NEX

Air-Nex Wi-Fi Connected

**£2595**

European Manufactured  
Embedded Database  
All AIR-NEX stations are equipped with a WIFI connection via Bluetooth. This allows access to functions additional such as:

- AUTOMATIC UPDATE (software and database)
- REMOTE CONTROL
- REMOTE SERVICE
- REPORT WIFI PRINTER
- ASA NETWORK interface
- APPs (iOS and Android)

Options include:  
*Hybrid Flush Kit*  
*Printer*

Waeeco ASC-1300G

**£2795**

**STANDARD**

All Waeeco machines are manufactured in Germany and boast a unique 8 bearing weighing system unlike other A/C machines which makes the Waeeco machines more rugged and reliable.

Waeeco machines can be used with either refillable bottles for PAG & UV or users can take advantage of the unique Waeeco canister system of PAG Oils & UV Dyes. The canisters are sealed and offer an elegant, sealed, contaminant free solution to the problem of PAG oil storage.

Two types of Waeeco machines are available Standard or Low Emission specification - Low Emission reduces the amounts of refrigerants lost during a re gas to almost ZERO and over time make a significant saving to the owner as well as being better for the environment.

Options include:  
*Hybrid Flush Kit*  
*Gas Identifier*

Waeeco ASC2500LE

**£3795**

**LOW EMISSION**

**WAEACO**

**Wide range of European manufactured machines for R134a & R1234yf available to suit all budgets**

Many models with VM Approvals including:

Audi, BMW, Citroen, Ford, Honda, Jaguar, Kia, Land Rover, Renault, Suzuki, Volkswagen, Volvo

Contact our sales team to choose the right A/C machine for your requirements

## BEAM TESTERS

### Headlamp Beam Tester c/w Rails

VOSA Approved Headlamp Aligner for use in MOT testing stations

For Class I/II/III, IV, VII  
HBT0001

**£635.00**

### Headlamp Beam Tester Class 4, 5 & 7 ATF

Headlamp Beam Tester Class 5 HGV  
This beam tester is also suitable to test Class 4, Class 7 and Class 5 Light

ART.2400

**£1015.00**

### Headlamp Beam Tester

**NON MOT use**

Headlamp Beam Setter on Wheels  
(NOT FOR USE ON RAILS)

This headlight beam tester is suitable for use in garages and bodyshops

This Mechanical headlight tester comes complete with

- Analogic luxmeter
- Base on Rubber wheels
- Mirror visor
- Lens of polycarbonate resin (K)
- Column height 170 cm
- Two photodiodes to check low and high beam light intensity

HBT0002

**£449.00**

### 'Camera On Board' Headlamp Beam Tester

- Essential for vehicles with Matrix Beam LED & Dynamic Light Assist headlights
- Supplied c/w printer
- Options available include:
- Inclinator
- Rail Kit
- Height Sensor
- LAN Interface
- WiFi Module

# New Regulations on welding in the workplace

From February 2019 HSE have released new guidelines on all welding in the workplace that will soon become enforced. This has come from new scientific evidence that exposure to all welding fume, including mild steel welding fume, can cause lung cancer. Organisations are now expected to have effective controls to manage fumes where welding is taking place.

Where controls are not adequate in controlling all fume exposure, adequate and suitable respiratory protective equipment (RPE) is required to control the risk.

See the full statement from HSE here:

[www.hse.gov.uk/safetybulletins/mild-steel-welding-fume.htm](http://www.hse.gov.uk/safetybulletins/mild-steel-welding-fume.htm)

## Quality European 2 Post Lifts

*Electro hydraulic 2 post lifts have become one of the most popular type of lift in recent years.*

Many users have chosen electro hydraulic to avoid the potential problems caused by load nut wear seen in electro mechanical lifts.

Unfortunately many of these users have chosen a vehicle lift manufactured outside of Europe which can cause issues with CE certification, reliability and longevity of product.

We rarely remove European lifts that are less than 10+ years old, because quality is long lasting. We have found many lifts manufactured outside of Europe are being condemned prematurely. This is due to the poor arm locks being scrutinised by health & safety. This causes avoidable expense to the garage owner, if you buy cheap you buy twice!

**Ravaglioli are Europe's largest manufacturer of 2 post lifts and offer one of the largest ranges of garage equipment products on the market today!**

- Choice of arms standard 90mm minimum pad height - 75mm available
- Choice of heights to accommodate different buildings and different vehicles
- Mechanical Safety Mechanism

Choose **Ravaglioli** for a **reliable** vehicle lift

## LUBRICATION

### 90Ltr Meclube Oil Drainer (Blow Away)

Blow Away Oil Drainer  
3 section ABS tool holder,  
Oil level indicator and  
Extra large 20 Litre collection bowl.  
Supplied with a 2m discharge hose.  
Minimum height 1200mm.  
Maximum Height 1850mm.

1460

**£289.99**

### Pump Away Waste Oil Drainer 95 Litre

This unit comes with a 1:1 Quality  
Air Operated Pump that is totally  
encapsulated in the oil drainer.  
The pump is fitted with special seals  
that are more resistant to products  
like screenwash, antifreeze, brake  
fluid and other liquids that are not  
particular designed to go into an  
oil drainer!  
This makes the oil drainer last longer  
than traditional pump away units.

WOD0095

**£457.00**

### Mobile Grease Unit for 50 & 60 kilo

Mobile greaser fitted with  
high efficiency 60:1 air motor.  
Workshop tested reliability.  
Fitted with a 400mm follower  
plate to prevent pump unit  
cavitation and ensure a  
smooth flow of grease

01116

**£385.00**

### Gear Oil Pump & Trolley Kit

Hand  
Pump

ABP0025

**£54.99**

### Air Operated Mobile Oil Dispenser

Air Operated Oil Drainers are filled  
with oil to 4/5th of total capacity and  
then pressurised with compressed air  
to a maximum of 8bar.  
The dispenser can then be  
disconnected from the air supply and  
wheeled to where it is required.  
The oil is pushed out of the dispenser  
with the stored compressed air.

### Bag-It B2 Tyre Inflation Safety Device

#### COMPRESSED AIR KILLS! 'BAG-IT' SAVES LIVES

The dangers of inflating tyres is ever present in the tyre fitting and distributor sectors of the industry and the safety of the fitter is of paramount importance. 'Bag-it' has been endorsed by the insurance industry and the Health & Safety Executive in the UK recommend that Bag-it is carried on service vehicles and used every time a tyre is inflated.

**Bag-it is a major contribution to the safety of tyre fitters.**

'Bag-It' is available in three sizes...

AP01109 <b>£175.00</b> Suitable for Light Commercial Vehicles	AP01110 <b>£199.00</b> Suitable for Cars	AP01106 <b>£240.00</b> Suitable for Heavy Goods Vehicles

### Tyre Bath & Stand

TYB0001  
**£229.99**

Half Moon Tyre Bath and Stands are used for the testing of car and commercial tyres and identifying the location of punctures or bead breaks. They are manufactured from high grade steel and have a high impact resistant polypropylene tanks which are built for strength, durability and long lasting service.

The metal frames are finished with a long lasting durable, impact resistant, polyester powder coating paint.

The addition of a spindle makes it easier to rotate the wheel whilst locating a puncture. The wheels on the unit allow for easy manoeuvrability around the workshop.

Dimensions: L 860mm x W 380mm x D 795mm

### Mobile Tyre Bath Stand & Spindle

## BRAKESAFE Portable Brake Tester with Printer

BrakeSafe is easy to use and can be located anywhere in the vehicle. It is self levelling and will automatically align itself with the direction of travel. For basic operation, no connections need to be made to the vehicle. Optionally, the instrument can be used to measure and record the force applied to the brake pedal, in this case a transducer is attached to the pedal. This also allows the delay time of the braking system to be determined.

- Measures and prints Mean Fully Developed Deceleration (MFDD)
- Auto-aligns with direction of travel
- Pass and fail warning lights
- Measures in-line deceleration and sideways pull
- Suitable for all cars, HGVs and PSVs
- SD memory card to save results for transfer to PC
- Self contained, portable and easy to use
- VOSA approved

TME0510  
£1199.00

## Euro £10,000 Euro Grade1 Electronic Lock

Comes in 3 different sizes with the option of a Key or Electronic Lock. With a safety class of EN 1 making it a Euro Grade 1 Safe. Offers protection from small fires. It has locking bolts on 3 sides giving it protection from a burglary attack.

# EXHAUST TOOLS

### 2pc Exhaust Puller Tool Set

Invaluable when installing exhaust systems.

- T-handled tools allow easy fitting of exhaust mounts.
- One straight and one hooked to suit block and ring mounts respectively

VS1641  
£8.99

### 6" Exhaust Pipe Cutter

Exhaust pipe and Tail Pipe Cutter. Suitable for cutting exhaust pipes between 3.5" to 6" (90mm - 150mm)

TBC0139  
£25.99

Qty2+  
£21.99

### Exhaust Hanger Removal Pliers

Exhaust mounting remover makes it easier to remove rubber mountings with one hand

TBC0145  
£16.99

### Exhaust Pipe Cutter

- Suitable for cutting thin-wall tubing up to 2.5mm thick.
- Designed to enable access where space is restricted.
- Ideal for cutting stainless steel exhaust pipes.

AK6838  
£49.99

### Exhaust Pipe Cutter

- Cuts thin wall tubing up to 3mm thick.
- Designed to cut where space is restricted. 120° handle movement produces a 360° cut.
- Ideal for cutting all exhaust pipes from Ø35 to 64mm.

VS1637  
£27.99

### Exhaust Pipe Expander Set 3pc

- Ideal for fitting aftermarket components to standard exhausts.
- Used to expand a length of pipe in equal proportions so the pipe is the same diameter and not tapered.
- Ensures a perfect fit with no leaks and also removes dents and clamp marks.
- Supplied in carry-case

VS1668  
£49.99

### Exhaust Pipe Flaring Dolly

Exhaust Pipe Flaring Dollie 30 - 80mm Diameter Used to flare and expand exhaust pipes

TBC0140  
£32.99

### Exhaust Support Stand 750kg

Sturdy stand ideally suited for supporting vehicle exhausts when working under the car.

Capacity: 0.75 Ton  
Min.Height: 1360mm  
Max. Height: 2030mm  
Gross Weight: 15.0kg

### Digital Vernier Gauge 0-150mm

Large and easy to read LCD Display  
Metric and Imperial Measurements  
Supplied in a storage case

TME0150  
£19.99

### Digital Multimeter 8 Function

Heavy-duty general purpose multimeter with clear and easy to read LCD display. Features data hold function, temperature probe and diode test facility. Housed in rugged rubber boot with integral stand. Supplied with full set of leads and probes.

Measures:

- AC and DC Voltage
- DC Current
- Resistance
- Temperature
- Audible Continuity
- Diode/Transistor Verification Mode

MM20  
£14.99

### InfraRed Digital Thermometer with Laser

Innovative new way to tackle diagnosis of engine and vehicle faults. VS900 detects energy emission in the infrared spectrum and converts reading into a display of temperature. Features laser pointer to indicate area being sampled. Temperature is displayed on large LCD panel with back-lit display for use in low light areas. Temperature can be shown in either °C or °F. Powered by 9Volt cell (not included). Supplied with belt pouch.

VS900  
£32.99

Focal Ratio: 12:1  
Temperature Range: -50°C to +380°C - -58°F to +716°F  
Accuracy: ±1.5%

### 24" Professional Spirit Level

TBT2511  
£6.99

### 600mm Spirit Level

- Extruded 0.9mm aluminium box section level
- Powder coated for corrosion resistance
- Accuracy 0.5mm in 1mtr (0.028")

S0475  
£6.99

### 230mm Spirit Level

Impact resistant ABS level with horizontal, vertical and 45° vials. Features magnetic mounting strip on base and hanging hole for storage.

Length: 230mm

S0479  
£1.99

### Wheel Rim Width Measuring Caliper

For use with most types of Wheel balancers where you have to input the width of the tyre into the machine. Easily measure the rim width with this plastic easy to read measuring calliper.

Size: 395mm x 345mm x 25mm

BTS0600  
£24.99

## PRESSES

## Workshop Tools

### 20 Ton Floor Press Professional

Features a quality hydraulic pump unit can also be moved across the bed of the press for greater precision when working. The press comes complete with mounted Ram Pressure Gauge.

We can also supply a pin kit and Main Guard if required.

Capacity: 20,000kg

## 18v Drill Driver 1 x 2.0ah Battery

This cordless drill driver offers exceptional performance to drive fixings or drill large hole through tough material. Perfectly balanced when in use this is a drill which can be used for hour after hour, both because of the comfort and the state of the art power plant, which keeps it going longer, per charge, than a conventional cordless drill. Other features include integrated LED light, moulded soft-grip handle and variable speed trigger switch for optimum control.

Included Drill, 1 x 2.0Ah Battery, Charger & Blow Moulded Case

KWT-001-05  
**£74.99**

## Cordless Drill 18 Volt 2x 4ah Batteries

Perfectly balanced, lightweight combi drill, with hammer function; ideal for a vast range of drilling applications. Driven by a smooth digital brushless motor and fuelled by Samsung Li-Ion battery, for high performance and longer run time & tool life.

Contents:  
Combi Drill, 2 x 4.0Ah Li-Ion Samsung Battery, Charger, Side Handle, Depth Rod, Belt Clip and Stackable Carry Case

KWT-001-19  
**£129.98**

## 18v Cordless Impact Wrench 430Nm

Ideal for automotive use as well as a range of engineering and workshop applications. Powered by a smooth digital brushless motor and fuelled by a high-tech Samsung Li-Ion battery, the Kielder KWT-002 1/2" Impact Wrench delivers high torque performance (430Nm) in a compact size (152mm length). Weighing only 1.7kg (including the battery) it is well balanced and comfortable to operate, even in those tight / awkward areas.

430Nm Impact Wrench 18v One Batt 4.0Ah 230v UK  
Includes Wrench, 1 x 4.0Ah Battery, Charger & Blow Moulded Case

KWT-002-03  
**£129.98**

## 18v Cordless Angle Grinder 115mm

Powered by a digital brushless motor, this versatile 18v Li-ion Angle Grinder can be used for an array of grinding & cutting applications. The long-run 4.0Ah batteries typically provide 15-20 minutes grinding performance each, so you can enjoy the freedom of cordless for longer. Features a shaped ergonomic soft-grip handle, which provides comfortable continuous operation and unobtrusive reverse-fit battery that balances the tool in use.

INCLUDES: 2x 4.0Ah Samsung Li-ion Battery\* • 80 Minute Charger  
• Side Handle • Stackable Carry Case

KWT-007-02  
**£184.98**

## 18v Cordless Impact Wrench 700Nm

Powered by a smooth, frictionless digital brushless motor and fuelled by a high-tech Samsung Li-Ion battery, the Kielder KWT-012 1/2" Impact Wrench delivers huge torque performance (700Nm) from a short-body (172mm length). Market leading power-to-weight ratio – weighs just 2.2kg with 4.0Ah battery fitted. Ideal for the professional garage and workshop; a heavy-duty tool with a high level of break-away torque for wheel nuts and stubborn fastenings.

700Nm Impact Wrench 18v One Batt 4.0Ah 230v UK  
Includes Wrench, 1 x 4.0Ah Battery, Charger & Blow Moulded Case

KWT-012-05  
**£174.98**

## Waste Oil Drainer 95 Litre (No Pump)

Top Quality Waste Oil Collector with a 18 litre adjustable Hopper fitted. The hopper comes complete with a fixed mesh grille to stop any unwanted items disappearing into the oil drainer. This unit comes complete with quick release coupling for use with optional wall mounted pump

WOD0100  
£284.00

## Pump Away Waste Oil Drainer 95 Litre

This unit comes with a 1:1 Quality Air Operated Pump that is totally encapsulated in the oil drainer. The pump is fitted with special seals that are more resistant to products like screenwash, antifreeze, brake fluid and other liquids that are not particularly designed to go into an oil drainer! This makes the oil drainer last longer than traditional pump away units.

WOD0095  
£457.00

## Gear Oil Pump & Trolley Kit

Heavy Duty Self priming Gear Oil Pump complete with 1.5 Metres of Hose and Hose End Adaptor. Complete with trolley that is suitable for 20 Litre and 25 Litre drums

MGB0001

THE VOICE OF TORQUE CONTROL

## NorTorque

- Push through ratchets with a narrow engagement angle of 5° for working in tight spaces
- Convenient hanger feature for tool storage also aids wrench unlocking and adjustment
- Just eight turns to cover the entire scale
- Micrometer scale applying to the primary torque units (N-m on a dual scale wrench) for simple and error free setting
- Push/pull lock is fast and intuitive to use and prevents accidental adjustment of the set torque
- Light and fast adjustment saves operator time and effort

Description	Part No.	Price
Model 60, 3/8", 12-60Nm, 10-45lb-ft	130101	£75.99
Model 100, 1/2", 20-100Nm, 15-75lb-ft	130103	£84.78
Model 200, 1/2", 40-200Nm, 30-150lb-ft	130104	£89.99
Model 300, 1/2", 60-300Nm, 45-220lb-ft	130105	£92.99
Model 340, 1/2", 60-340Nm, 45-250lb-ft	130106	£105.00

## Professional

- Factory calibrated to  $\pm 3\%$  and our new mechanism ensures that the accuracy is retained for longer.
- Ergonomic new handle with a high proportion of soft-feel, high grip material.
- Handle material and lens resist all chemicals in common automotive, industrial and aviation use.
- Secure push/pull locking mechanism is quick and intuitive to use and prevents accidental adjustment.
- Large scale window and long scale length for great visibility and accurate setting.
- Unique on a torque wrench, the TimeStrip® gives a visual indication that the wrench is due for re-calibration.

Description	Part No.	Price
Model 50, 3/8", 12-60Nm, 10-45lb-ft	15002	£101.00
Model 100, 1/2", 20-100Nm, 15-75lb-ft	15003	£102.00
Model 200, 1/2", 40-200Nm, 30-150lb-ft	15004	£112.00
Model 300, 1/2", 60-300Nm, 45-220lb-ft	15005	£135.99
Model 340, 1/2", 60-340Nm, 45-250lb-ft	15006	£149.99
Model 400, 1/2", 80-400Nm, 60-300lb-ft	15007	£210.00

## TTi Torque

- Micrometer Scale for simple and error free setting. (On dual scale wrenches, the micrometer increment applies to the N-m scale.)
- Quick and Light Adjustment: adjustment over the entire scale can quickly be achieved and with minimal effort in approximately ten complete turns (exact number varies by model).
- Comfortable, Durable Handle: the handle is constructed using two materials; a base material for strength overlaid with a soft feel grip for comfort and slip resistance.
- The handle material and lens resist chemicals in common usage in the automotive, aviation and industrial environments.

Description	Part No.	Price
TTi20, 1/4", 4-20Nm, 35-180lb-ft	13830	£83.00
TTi20, 3/8", 4-20Nm, 35-180lb-ft	13831	£82.00
TTi50, 3/8", 10-50Nm, 8-35lb-ft	13841	£72.00
TTi50, 1/2", 10-50Nm, 8-35lb-ft	13842	£86.00

## Industrial

- Robust construction gives accurate results,  $\pm 4\%$ , even in arduous working conditions.
- The break angle improves accuracy by reducing the possibility of over torquing.
- Dual scaled, N-m and lbf-ft.
- Supplied in a high quality blow moulded plastic case, with space provided for accessories such as sockets.

Description	Part No.	Price

### Rigger Gloves Pair

Strong stitching, a generous fit and quality materials make this an ideal glove for general purpose industrial use.

CVG0150

Qty: 1-9  
£1.70  
each

Qty: 10+  
£1.15  
each

### PVC Chemical Handling Gauntlets 355mm

- PVC coating on a cotton liner.
- 355mm Cuffed gloves give extra protection to the user.
- Ideal for industrial and agricultural applications.
- CE Marked and conforms to BS EN 388 CAT 2.

SSP32  
£4.39

### Welders Gauntlets Lined

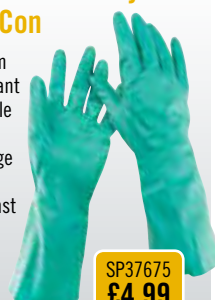

Suitable for a variety of applications where extra cover is required around the wrist and the lower forearm. Ideal for welding applications.

CVG0100  
£3.99

### Solvent Resistant Safety Gloves Air Con

- Length 330mm
- Solvent resistant
- Reusable nitrile gloves protect against a range of chemicals
- Protects against mechanical hazards such as abrasion

SP37675  
£4.99

All prices are subject to VAT

Our range of health and safety signage, suitable for all industries and work places is available in rigid plastic, vinyl sticker or photoluminescent sign.

## Dry Wipe Noticed Board 3 Panel

Designed for offices or rooms where wall space is limited, or car showrooms where budgets or sales figures can be hidden away when folded.

In its folded state, this dry wipe board still offers a generous 1.2 Metre width on which to write, but once opened out, the available surface doubles to 2400mm.

We can print images, logos or text on the noticeboard if required.

Ask for a quote...

All prices are subject to VAT

## Self-Adhesive Windscreen Stickers

Full colour quality rear window stickers on self-adhesive vinyl.

Available in two rectangular sizes and one oval size. Other sizes are available, please contact our sales team for pricing.
