

**MORE SAFETY!**

Automatic arm locking system.

**MORE COMFORT!**
***Pad always on***

The pads are built into the arm.

**FLEXIBLE INSTALLATION!**

Adjustable minimum height.  
The lift adapts to the existing pit without adding shims.

**FASTER INSTALLATION!**

Platform designed for quick installation on standard gratings. The existing grating does not have to be changed to install the lift.

**GREATER CONNECTION!**

Connected equipment.  
Industry 4.0.

**TEq-Link**  
connected workshop

**JHM**  
**BUTT**
