*Free training constitutes free DVSA compliant online training up to 45 minutes per MOT tester added to the MOT Juice system at registration. MOT Testers added after the registration will not qualify for the 45 minutes free training. The free training shall be delivered ONLY to the testers account with MOT Juice and will be in the form of THREE training modules of 15 minutes each. This training will count towards the annual DVSA requirement. No cash alternative is offered and free training must be undertaken within 30 days of registration. An active MOT Juice subscription is required. E & OE excepted.
